| **Developer Tools** | VS Code, Git, Github |
| **Core CS** | OOPs, DBMS, OS, CN |

## Projects

**Student Performance Prediction and Early Warning Portal** | **Preview** — 2025 – 2026

- A real-time machine learning system that predicts student performance and identifies at-risk students for early intervention. It provides a dashboard with actionable insights to improve academic outcomes.
- Trained a machine learning model to categorize student risk levels, focusing on improving prediction accuracy for struggling students and standardized student data inputs (attendance, internal marks, participation) to ensure balanced and fair academic assessments.

**Vignan 3d Campus** | **Preview** — — Present —

- Designed and built a full-featured 3D interactive virtual tour of Vignan University's campus with dual navigation modes (free-roam ground navigation and aerial drone editor).
- Integrated custom 3D model components, automated deployment workflows, and optimized web asset rendering to ensure smooth cross-device performance.

## Experience

**Student Orientation Program , VFSTR** | *Intern* — *2025*

- Spearheaded outreach and engagement programs, leading a 72-member team to onboard and guide incoming students.
- Successfully pitched and grew the Coding Geeks Club to 496 students, demonstrating strong persuasion, public speaking, and audience engagement skills.
- Communicated complex technical value propositions to non-technical audiences, improving program adoption and retention rates.

## Publication

**Network Function Virtualization for Cloud and Edge Computing:**
A Comprehensive Survey and Future Research Directions | eCF Paper ID**: ICOIICS-112 IEEE**

## Certifications & Achievements

- HR Analytics issued by **NPTEL** — Silver + Elite Medal
- Certification in Advanced Idea Presentation **Vardaan Ideathon 2025**
- Public Speaking Certification by **VFSTR**
- **Communication and Fluency** Certified in Public Speaking (VFSTR) and hold Cambridge English Certification (B2 Level).
- **Gold Medal** – Table Tennis — Nriit Saritam Sports Fest, Vignan Intra-University Tournament (2024 and 2025) and Vcode Department-Level Fest
